

For the academic year 2018 – 2019, St Augustine’s Primary will receive: £ 19,600

At St Augustine’s Catholic Primary School, we believe that PE is vital to children’s physical, emotional and social development as well as their health. PE enables children to develop their self-confidence and competence in a variety of physical activities. It also helps children to develop the skills needed to become a successful team player and understand competition. It is important that children are given the opportunity to participate in a wide range of activities so that they are more likely to continue to be physically active throughout their lives.

Here at St Augustine’s, we aim to be a school where physical education caters to the needs and aspirations of each child, and where every child has the opportunity to take part in a sport. We aim to achieve this by providing a range of curricular and extra-curricular pursuits, which foster the full potential of each child. We also want to invest money into making the resources available to children so that they are the best they can be to enable high quality PE lessons to happen.

| Details of action to be taken: |   | Lead responsibility | Resource implications / estimated costs   | Monitoring   | Impact   |
|--------------------------------|---|---------------------|---|--|--|
| Actions                        | Aims this year  |                     |   |  |  |
| 1                              | To support all teachers with the teaching of PE<br><ul style="list-style-type: none"> <li>- Team teaching with GAMEON</li> <li>- Courses / CPD</li> <li>- Observations</li> </ul>   | H Farrell           | Supply cover for courses<br>Supply cover for team teaching / observations<br>Cost of GAMEON       | Monitored termly by H Farrell through feedback from staff and pupils                               | Improved teacher confidence resulting in improved outcomes for all pupils.<br>Up levelling of skills for all teachers. |
