Dear Parents/Guardians

In response to the recent closure of all schools, we would like to share with you the resources available online to help continue your child's learning at home during this time of closure.

Children should be encouraged to read as normal and use their home reading diaries to record their reading each day.

Children can use their spelling journals to practise high frequency words – these lists can be found in the back of their spelling journals.

4 learning logs tasks have been set and can be found in your child's learning log book.

Home Learning projects for Rec – Year 6 can be accessed on the following website:
