Newsletter 5 - November 2020

Dear Parents/Carers,

In this week of Remembrance, we think of all those people who have lost their lives in wars and conflict. In the month of November we also remember all those who have died this year. During these difficult times we pray that families who have lost loved ones are given strength and comfort.

COVID

If you drop your children off at the front gates, please park your vehicle in the parking spaces and then bring your children to the school gate. For the safety of your child and others, please do not pull up in front of the gates or the Church and let your children out.

Could parents please follow the queueing system in operation at the front gates. If you are late and have missed your time slot, please stand by the church until the bubble of children have entered the school grounds. Please do not come to the gates in front of other parents and children.

Thank you for your support in working together to keep everyone safe.

NUTS IN SCHOOL - REMINDER

Please do not put any food items, which contain or have traces of nuts into your child's lunchbox.

We have a number of pupils who have severe nut allergies. We have had several instances again this week with children bringing sandwiches into school with chocolate nut spread and desserts containing nuts. For the safety of the pupils with nut allergies please **do not** give your child sandwiches, which contain chocolate spread or any other food items that contain nuts in their lunchboxes. Thank you for your co-operation.

PARENT GOVERNOR

We currently have a vacancy on our Local Governing Body for a Parent Governor. Please contact the school office if you wish to find out more information about what this involves or to put yourself forward.

END OF DAY COLLECTION ARRANGEMENTS

As the children now finish at different times, so that the year bubbles leave school separately it is important that you are on time to collect your child/children. If someone else is collecting your child who is not on your list, please call the office before 2:00pm. The afternoon is a busy time and we cannot always get a message to the teaching staff before they leave the school building with the children.

Thank you.

NASAL FLU IMMUNISATION

If your child was absent on 2nd November and you would like them to be immunised, then please contact the school nursing team on 024 7696 1422. Please leave your name, your child's name, school's name and your contact number and they will contact you.
