Pupil expectation/code of conduct for remote learning

Rules regarding technology

- I will only use school technology for school purposes as directed by my teacher or teaching assistant.
- I will only take part in 'live' streaming if an adult knows that I am doing it.
- I will not reveal my passwords to anyone.
- I will be responsible for my behaviour and actions when using technology (Google Meet and Other interactive applications), this includes the resources I access and the language I use.
- I will make sure that all my communication with students, teachers or others using technology is responsible and sensible.
 - I will not deliberately browse, download, upload or forward material that could be considered offensive or illegal. If I accidentally come across any such material I will report it immediately to my teacher or my parent.
 - I will not share resources or videos created by my teachers with anyone who is not a pupil or member of staff at School.
 - I will not record or take photos of my classmates or teachers during a face-to-face session.
 - I will not share any school content on social media platforms
- I understand that when using Google Classroom and other applications provided by the school that my 'use' can be monitored and logged and can be made available to my staff.
- If audio/video conferencing is used, I understand that this might be recorded by the teacher only in order for this to be forwarded to any pupil who missed the live conferencing.
- I understand that these rules are designed to help keep me safe and that if they are not followed, school sanctions will be applied and my parent will be contacted.

When participating in an audio or video conference on Google Meet, or any other video conferencing software, remember that this is an extension of the classroom and you should conduct yourself as you would when in school. This includes:

- Be on time for your interactive session
- Be dressed appropriately for learning (e.g. no pyjamas)
- Remain attentive during sessions
- Interact patiently and respectfully with your teachers and peers
- Provide feedback to teachers about your experiences and any relevant suggestions when asked
- Video conference from an environment that is quiet, safe, public and free from distractions. Please avoid using a bedroom for video conferencing.
- You **MUST NOT** record each other's online interactions. If the lesson is to be recorded, this will be done by the teacher.
- Make sure you end the session as soon as the teacher indicates to do so.

Parents/Carers

- We understand that parents/carers are likely to be in the same room when their children are accessing learning. During any live sessions we ask that parents/carers do not join the lesson or interrupt unless invited to do so.
- Where parents/carers are in the same room, all the expectations of conduct and dress apply also to the parents.
- Please ensure that there are parental controls on and devices your son/daughter is using. For help with this please see here. <https://www.nspcc.org.uk/keeping-children-safe/onlinesafety/parental-controls/>

General Rules and Guidelines

1. It is strongly recommended that you follow the school timetable as far as possible.
2. Please complete tasks as they are set for each lesson. Teachers will aim to be available at the times when they would normally be teaching you in order to answer questions. This will be through Google Classroom.

By clicking the zoom or meet invite, you are agreeing to abide by the code of conduct for participating in live streamed sessions.
