of

CATHOLIC LIFE

Thank you so much for
your donations for the
Carriers of Hope appeal for the
Afghan Refugees. We have been
overwhelmed by your generosity!
This week, the School Council led a
service for the rest of the school;
explaining how our donations will
help.

On Tuesday, our Catholic Life
Ambassadors met virtually with
the other groups across the Holy
Cross MAC schools. They were
able to share ideas and good
practice and will be meeting again
next half-term.

Pupils from Year 4 attended mass
this week. They read beautifully
and represented the school in the
way they always do.

Wishing you all a wonderful
weekend!

Mrs Carey and staff.

securing a place at your child's preferred school, it is essential that you submit your online application before this date. For any information and advice regarding your application go to www.coventry.gov.uk/schooladmissions

BIRTHDAY GREETINGS

Many Happy Returns to these children who celebrate their birthdays during this week.

Theo / Y6 Elisa
Amelia / Y5 Piotr
Lily / Y2 Maisey

We hope that you have a lovely day boys and girls.

REMINDERS

Our school uniform policy states that both boys and girls should be wearing black shoes to school not trainers (unless it is your child's PE day). Thank you

upon our school community to offer donations to our Harvest Food collection.

We are looking for items which we can then donate to the Coventry Food bank, such as: pasta, rice, biscuits, cereals, chocolate, tinned fruits, tinned vegetables, UHT long life milk, etc.

If you feel you are able to donate to our collection, then you can either:

- Drop them into our collection boxes located in the main entrance.
- Or ask you child to hand them to their class teacher.

We thank you in advance for you continued support and appreciate your donations.

FLOW PROJECT

Y5C participated in another amazing experience this week at Daimler Powerhouse, as they continued being part of the City of Culture Project FLOW (Future Life of our Oceans Wealth). The team of experienced artists at Imagineer Productions helped the children learn more about how to protect our oceans and the environment by participating in a carousel of creative activities. The

children imagined what the ocean would look like before, during and after pollution and created some beautiful collage pieces of art to display in our school. Through the art of movement, music and dance they imagined what it would be like to be part of the ocean. They also got to create an Ocean Soundscape by entering a recording studio becoming Foley Artists using water sounds, rain sticks and an ocean drum. As Sound Engineers they learnt how to record using music production equipment such as Hydrophones, Microphones and a Mixing Console. The children were enthusiastic and passionate all day enjoying each experience. A huge thank you to Medwell Hyde Property Solutions, The City of Culture and Imagineer Productions for bringing this FLOW project to our school.
